

Instructions for submitting to Shoulder & Elbow Journal

Go to <http://mc.manuscriptcentral.com/sae> and click **Create Account**

1. Once you have an account, click Author Centre and then **Submit** a New Manuscript.

Input type, title, abstract & keywords

2. Choose your manuscript type using the drop-down menu.
3. Copy and paste the title and abstract from your document and choose the keywords from the drop-down menu.
4. Click Special Characters to add Greek and other symbols.

Input all authors

5. Add the names and e-mail addresses of all contributing authors

Cover letter and copyright assignment

6. Either type directly or copy and paste your cover letter.
The cover letter can also be uploaded with your manuscript files.
7. Download the copyright assignment form and send to the Editorial Office.

Upload manuscript files

8. Use the Browse button to select a file. Choose a designation from the list.
9. Click Upload to add your file. Repeat until all files are uploaded.

Submit

10. Click Submit once you are satisfied.
11. An automatic confirmation with your unique manuscript number will follow.

The progress of your submission can be tracked at
