Notes for New Members

Candidates for membership shall be sponsored by two Members of the Society. Their names shall be sent to the Honorary Secretary for consideration by the Council. The names of those deemed suitable shall be submitted to a General Meeting for election. If a poll is demanded, a majority of two-thirds of those Members present shall be required.

Applications for membership will only be considered at the Annual General Meeting provided that the Applicant's proposer and/or seconder is present to support the application.

Your election as a member of the Society may not occur until the next meeting of the Society. It could, therefore, be some time before your standing order mandate reaches the Subscription Secretary and your subscription taken from your Bank account.

Members are able to claim tax relief (under the provisions of Section 201 ICT 1988) on the subscription. The Journal of Shoulder & Elbow Surgery is six issues per annum starting with the January/February edition which is usually despatched from America at the beginning of February. The payment you make is annually on the 6th April so you start receiving issues before you make payment.

You cannot start receiving the Journal for part of a calendar year so if you are elected a member, say, in May, the first standing order payment will be for £55.00 being the ordinary membership subscription for the Society's year starting 1st April.. You will receive the January/February edition in the following year and then of 6 April in that following year your payment will be £130.00.

The Subscription Secretary can advise you on how to receive back-issues at a reduced rate.

Please fill the appropriate Bank standing order form.

THE APPLICATION FORM AND STANDING ORDER MANDATE SHOULD BE COMPLETED AND RETURNED TO THE HONORARY SECRETARY WITH A COPY OF YOUR CURRICULUM VITAE:
